

CAPTAINS PAR 3 CHALLENGE

The object:

For all players in their playing group to hit the Green from their Tee-shot on a Par 3 nominated at random earlier in the day.

The Process:

1. Members arrive at the club as usual for the BUNGS Golf Day, and ascertain who their playing partners for the day are.
2. Each member pays £2 for entry into the challenge. £1 of this will go into the Prize Pot, £1 will go to the Captains Charity
3. The Captain will ask a member of staff at the course to “draw straws”, each “straw” indicating a Par 3 on the course. The straw drawn will indicate the Par 3 hole to be used for the challenge. (The Challenge Hole is only valid for the afternoon or “full” BUNGS round)
4. Members endeavour to complete the challenge by hitting the green with their (1st) Tee-shot on the nominated hole.
5. On completion of play, scorecards will be examined and any group which completes the challenge will be eligible for a share of the Prize Pot.

The Rules:

- a) The calculations are based on the usual BUNGS 3-Ball Groupings
- b) The Prize Pot is calculated as being ½ the receipts of the day. (ie: if 30 players pay £2, receipts = £60. Prize Pot = £30)
- c) The group achieving the object of the challenge will be eligible for 1/3 of the Prize Pot.(ie: if the Prize Pot is £30, each member of that group receives £10)
- d) If 2 or more groups achieve the object of the challenge, the Prize Pot will be shared equally between those members. (ie: if 2 3-ball groups achieve the object of the challenge, 6 players receive £5 each)
- e) If there is a 4-ball, & 3 members achieve, the “Prize Fund” will be shared by those 3 members.
- f) If there is a 4-ball, & all 4 members achieve, all members of that Group will receive an amount equal to the 3-ball payout.
- g) If no group achieves the challenge on a particular BUNGS Golf Day, the Prize Pot will be carried forward to the following BUNGS Golf Day, and so on.
- h) The Challenge will cease when the Society meets in December 2012. Succeeding Captains may wish to restore the Challenge for the duration of their Captaincy.
- i) At the cessation of this Challenge, all funds still in the Prize Pot will be transferred into the Captain’s Charity Fund for the year
