Charity golf day

Broughton Heath Golf Club

Saturday October 7th 2006

Dear BUNGS Member

I am organising a charity golf day at the midlands most challenging par three course, Broughton Heath Golf Club, Church Broughton, Derbyshire on Saturday 7th October 2006, to raise funds for my nominated charity, The British Heart Foundation. This day is intended to be a bit of fun for BUNGS members, their partners, families and friends. The exact details of the day are yet to be finalised, but should comprise:

***18 holes of golf on the par 3 course (1st tee-time 2pm, 18 holes should take no longer than 2.5 hours)
BBQ (from 6pm)***

Charity raffle and prize giving (from 7pm)

There will be prizes for the best scores and raffle prizes worth over £300 have been donated so far

Families and friends are welcome and it is hoped that people will bring along their partners/wives and families to enjoy the day. Non-golfers could perhaps walk the course (or stay in the bar) and then enjoy the food and festivities afterwards. The anticipated cost is as follows:

£25 for the golfers / £15 for non-golfers / £10 for children under 16 / £5 for children under 12

The cost for adults includes a raffle ticket entry, more can of course be purchased on the day.

Further Information on Broughton Heath Golf Club

Broughton Heath Golf Course is an 18 hole, par 3, golf course, first established in 1998 and is one of (if not the) longest par 3 course in the country. Broughton Heath fills the gap between a regular pitch and putt course, and a full size par 72 course. At 3,087 yards long off the back tees, the average hole length is 172 yards. The course is very demanding, and set over 42 acres of land, incorporating lakes, trees, ditches and many other hazards.

I sincerely hope you would want to join myself and fellow BUNGS members for this fund raising event, which should be a lot of fun. For anyone travelling a distance and wanting to stay overnight, details of nearby accommodation will be provided at a later date.
