### **SLOW PLAY AVOIDANCE**

With this being a 36 hole event, to enable everyone to get home at a reasonable hour, it is imperative that the speed of play is quicker than usual.

During the afternoon round, once you cannot beat your morning score,  
**YOU MUST  
PICK-UP.**

**It is the responsibility of the lowest handicapped player in each group to take charge of the pace of play. If you have lost ground, you need to let the group behind through and speed up your pace of play.**
