### SCORE CARD INSTRUCTIONS

Enter morning gross score in column A.

Enter afternoon gross score in column B.

Take the best score and then calculate nett score & points.

### SLOW PLAY AVOIDANCE

With this being a 36 hole event, to enable us all to get home at a decent hour, it is imperative that the speed of play is quicker than usual.

During the afternoon round, once you cannot beat your morning score, **YOU MUST PICK-UP.**

**It is the responsibility of the lowest handicapped player in each group to take charge of the pace of play. If you have lost ground, you need to let the group behind through and speed up your pace of play.**
